

GRANT SEEKERS GUIDELINES

Welcome to the Dawn Foods Foundation. Thank you for looking to us to collaborate with your efforts. Before you complete a grant application, please familiarize yourself with our Areas of Commitment and determine if your venture aligns with ours. If you find that your proposal matches one of these areas and you are requesting less than \$500, we encourage you to mail a letter of request to the applicable Dawn location. If you are requesting over \$500, please complete and mail in the grant application and other necessary paperwork to the applicable Dawn location. Grant requests are not accepted via email, fax or video.

- Complete the grant application and submit the requested documents to the applicable Dawn location (if necessary)
- Are in compliance with the Equal Employment Opportunities Act, and other federal, state and local laws and regulations.

- Labor Unions
- Fraternal, service and veteran organizations

Multiple grants are rarely made to the same organization in the same calendar year.
