BROWNIES

A **EASY** Solution For Your Bakery

Dutch cocoas and unique sugars create a deliciously moist and rich brownie.

Our Fudgie Brownie Mix is easy and versatile to use. For a fudgie, dense texture, just add water. For a cake-like brownie, add oil and eggs. To create a signature dessert, add nuts, marshmallows, candy or anything you desire. Or choose batter in a 9 lb. pail – same great attributes, no mixing required.

- **Delicious Dutch cocoas** - excellent chocolate flavor.
- **Glossy, eye appealing texture** - can be served without icing, if desired.
- **Add water to mix for pourable batter** - pans are easy to level, no more thin or thick sections.
- **9 lb. pail for "scoop and bake" convenience** - easy to store, saves space and decreases waste.
- **Easily suspends nuts and other ingredients** - versatile for use in a variety of recipes.
