

KEEPING STAFF AND CUSTOMERS SAFE

As always, we are committed to safely supplying & supporting your bakery, especially during this uncertain time. We understand your concerns about the coronavirus and have brought together some products to help you navigate the COVID-19 environment.

Consumers have high expectations for operators with respect to sanitation and safety requirements as bakeries begin to reopen. We can supply you with PPE so you can continue to supply the treats for your customers' sweet moments.

Food Service Masks

Enhance consumer confidence and staff safety while reducing the spread of germs within your facility. This 3-layer disposable mask tests at BFE>95.0%, PFE>95.0%.

Hand Sanitizer

A safe environment begins with clean hands. Hand sanitizer is available in both 16 ounce and 1 gallon sizes to use in both the front and back of your operation.

ESTABLISHED TRUST

For 100 years,

Customers have counted on Dawn to grow their bakery businesses. With the right mix of products, innovations, global perspectives and inspired bakery expertise, Dawn helps our customers mark the moments in life that matter.

Cleaning Cloths

All purpose heavy duty cleaning cloths. These are super absorbent, lint free & color coded (red, blue, green) to avoid cross contamination.

Antibacterial, antimicrobial, and eco-friendly.

Sanitizers & Disinfectants

Disinfectants and sanitizers are ideally suited for deep cleaning your establishment and keeping customers and staff safe. Applications include food prep areas, front of house, restrooms and floors.
