CORPORATE SOCIAL
RESPONSIBILITY

DAWN FOODS IS COMMITTED TO POSITIVE CHANGE FOR A BETTER TOMORROW

At Dawn, we believe **our actions matter** and that we have a responsibility to make a **positive impact** in communities around the world. Our approach to social responsibility aligns to our commitments to our people, our products, and our customers – better known as **the Circle of Excellence**.

Across Dawn, our approach to social responsibility is centered on progress. As one of our Dawn values, we understand progress and change take time, but everyday changes and improvements help us get a little bit better, every day.

Globally, our initiatives focus on:

- **Supporting people, communities, and the baking industry** with equitable and inclusive programs that inspire.
- **Responsibly creating and distributing** our products to improve overall wellbeing and reduce our environmental impact.
- **Working with our customers and partners** to advance sustainable efforts and ethical practices that make an impact.

PEOPLE

Make a better planet for people and communities around the world

As a global community, we are all connected as people. Dawn is committed to supporting the health, safety, wellbeing, and education of our Team Members, the baking industry, and the communities in which we operate. We put people at the top of everything we do and value diverse perspectives, equality, and inclusion for all.

PRODUCTS

Operate responsibly with products that delight

From our comprehensive standards for product and packaging development, to our manufacturing and distribution practices, and commitment to high-quality ingredients, we focus on the wellbeing of our customers, their consumers, and the environment.

CUSTOMERS

Develop positive partnerships that make an impact

We work to create a more sustainable and better shared future with partners committed to doing business the right way for our customers and the industry. Our partnerships are focused on responsible sourcing, sustainable efforts, regulatory principles, and stewardship of natural resources.
