## YOU WILL NEED:

Baking Form – sheet tray

Dawn Scoop & Bake Chocolate Brownie

Decorate with any type of topping – or just serve as it is!

**YIELD: 1 x 2kg tub per sheet – depends on baking tray used**

## METHOD:

To begin mix around the Dawn Scoop & Bake Brownie with a spatula or a spoon.

Pour the brownie batter into a tray baking form to create a sheet brownie

Bake at 190° degrees for around 35 mins in a deck oven.

Once cooled, take the brownie out of the baking form and slice to portion out – or place in the freezer to use later.

The Dawn Brownie will take additional chocolate decorations pre-bake or can be finished in a multitude of styles after bake – the decision is yours!

Create tempting chocolate aromas and authentic delicious brownies to attract any customer.

Sell with a hot or cold drink, with part of a meal, or as food to go.
