## YOU WILL NEED:

Baking Tray

Dawn® Scoop & Bake Vanilla Cookie Dough

Dawn® Vanilla Icing

Dawn® Compound – Lemon / Orange (or any flavour)

Dawn® Plain Chocolate Sauce

## METHOD:

To begin, scoop out the Dawn® Scoop & Bake Vanilla Cookie dough into the silicon shaped moulds (cat shaped - for this example). Hand push the dough into place.

Bake at 180°C for around 15 minutes in a deck oven.

Leave the cookie shapes to cool before filling them.

To fill use Dawn vanilla icing flavored with a Dawn fruit compound – either lemon or orange – any flavour will do depending on your preference.

Fill the cookie tart shape with the flavored icing, using a piping bag and leave to cool.

Decorate the Cookie Kitty Cat shapes using melted chocolate, with a piping bag – or chocolate decorations, to give your cookie Kitty's some personality.
