YOU WILL NEED:

Chocolate Orange Scoop & Bake

Dawn® Chocolate Frosting

Chocolates

Silicon Moulds or Breakable boxes

YIELD: 36 Snack Boxes from a 2kg tub @ 55g each

METHOD:

Mix around the Scoop & Bake batter with a spatula or spoon, to begin.

Scoop the Dawn Scoop & Bake Milk Choc & Orange batter into small square bake boxes, around 55g each. (silicon moulds or bake able cardboard boxes can be used)

Bake at 175°C (in a deck oven) for approx. 18-20 mins (top heat 4 bottom heat 2).

Once cool, finish with a rosette of Dawn Chocolate Fudge Icing (use a piping bag) and a Chocolate decoration or similar (we have used chocolate bars honeycomb flavour).

Use any type of decoration to finish off in your own style and create different and attractive little delights – perfect for 'on the go' treats to satisfy any snacking occasion.

Tip: customise the decoration in front of the customer depending on their favourite topping – customisation creates extra value and a personal experience for the consumer!
